SUSTAINABILITY CERTS & INITIATIVES

design by Basaglia & Rota Nodari

Alberto Basaglia and Natalia Rota Nodari met while studying at the Politecnico of Milan where they both graduated in architecture. Shortly after, they founded their studio, BASAGLIA ROTA NODARI. These Italian designers aim to transcend the typical image of the Italian designer. The pair achieve this by capturing beauty in equal measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
