

Orbit

lounge that revolves around you

via[®]
SEATING

great things happen in a chair

A lounge seating experience
that revolves around you.

Lean back and relax. Lean forward and collaborate. Play with
the rock, swivel & sway movements. Orbit delivers a supportive,
cradling sitting experience that revolves around you.

features

- Compact yet spacious cradling shape with integrated arms.
- Unique options for multi-upholstery across back and seat cushion.
- Companion ottomans available.
- 300 lb weight capacity.
- 6 year warranty.

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
