features

- All-weather hot-dip galvanized steel framework with aluminum slat surfaces.
- Epoxy powder coat matte colors or innovative, heat transfer film that creates a natural wood grain effect on aluminum slats.
- Durable in extreme outdoor environments.
- 5 year warranty (even salt air environments).

Design by
Basaglia & Rota Nodari

Alberto Basaglia & Natalia Rota Nodari met while studying at the Politecnico of Milan & graduating in architecture. These Italian designers aim to transcend the typical image of the Italian designer.

The pair achieve this by capturing beauty in equal measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
