The Veterans Health Administration awarded a 5 year (with optional 5 year) IDIQ for all VHA Hospitals and Clinics in December of 2018. Estimated spend on this IDIQ is \$100M per year. This is a mandatory use IDIQ for VHA only. Veteran Benefits Administration (VBA) & National Cemetery Administration (NCA) along with the Administration will continue to use the GSA / SDVOSB to procure.

For VHA locations go to: <https://www.va.gov/directory/guide/division.asp?dnum=1>

The IDIQ was awarded to 9 companies. All awardees are certified Service Disabled Veteran Owned Small Business (SDVOSB).

This IDIQ is for very specific products referred to as MTRs and does not include the entire catalog (see VA IDIQ spreadsheet for products and MTRs).

Any purchase under \$10k net does not have to go to bid nor does it have to be purchased off the IDIQ, and can be purchased on credit card.

Anything over \$10k net must be sent to multiple awardees to be bid on and all products on the MTRs are considered equal.

Each awardee is set up to partner with other dealers in local markets.
