Table

DESIGN Basaglia & Rota Nodari

The table from the Cortina.026 collection by designers Basaglia & Rota Nodari has strong shapes, characterized by a linear and essential design that can be easily stored thanks to its stackable frame. Three dimensions are available to fulfill different needs: from a school desk to an urban table. It's resistant to atmospheric agents thanks to the hot-dip galvanizing treatment and polyester powder coating. Brackets are also available for fastening to the ground.
