## Sustainability

Oslo was designed using a Design for the Environment (DfE) design approach. During this process, all components were screened to identify and assess the human and ecosystem health impacts of chemicals of concern. We screened all product components to the ANSI/BIFMA e3-2019 Annex B- List of Chemicals of Concern and the California Proposition 65 List.

Oslo has been tested in accordance with ANSI/BIFMA Standard Method M7.1-2011 (R2016) and complies with ANSI/ BIFMA e3-2019e Furniture Sustainability Standard, Sections 7.6.1 and 7.6.2.

Oslo is BIFMA LEVEL 2 certified.

Oslo is CLEAN AIR GOLD certified / certified low emitting.

Oslo is Health Care Without Harm compliant (HHI compliant).
