

Sierra

Italian-design outdoor furniture

SEATING

great things happen in a chair

Durable outdoor furniture,
timeless in design & durability.

Sierra's designers define their collection as a "game of light and shadows." Each piece is beautifully shaped from lasting hot-dip galvanized stainless steel. Seats, tables and more create timeless designs that stand out and capture the light.

Sierra for sitting

Sierra for lounging

Sierra for sustainable living

features

- 18 mm tubular structure made of hot-dip galvanized steel.
- Epoxy powder coat color glossy finishes or satin-finished stainless steel.
- Designed to be bolted to the ground.
- Durable in extreme outdoor environments.
- 5 year warranty (even salt air environments).

Design by Basaglia & Rota Nodari

Alberto Basaglia & Natalia Rota Nodari met while studying at the Politecnico of Milan & graduating in architecture. These Italian designers aim to transcend the typical image of the Italian designer.

The pair achieve this by capturing beauty in equal measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
