1
Unpack and prepare your components

Unpack your table, cubes, and brackets. Place pieces on a soft surface to protect the finish.

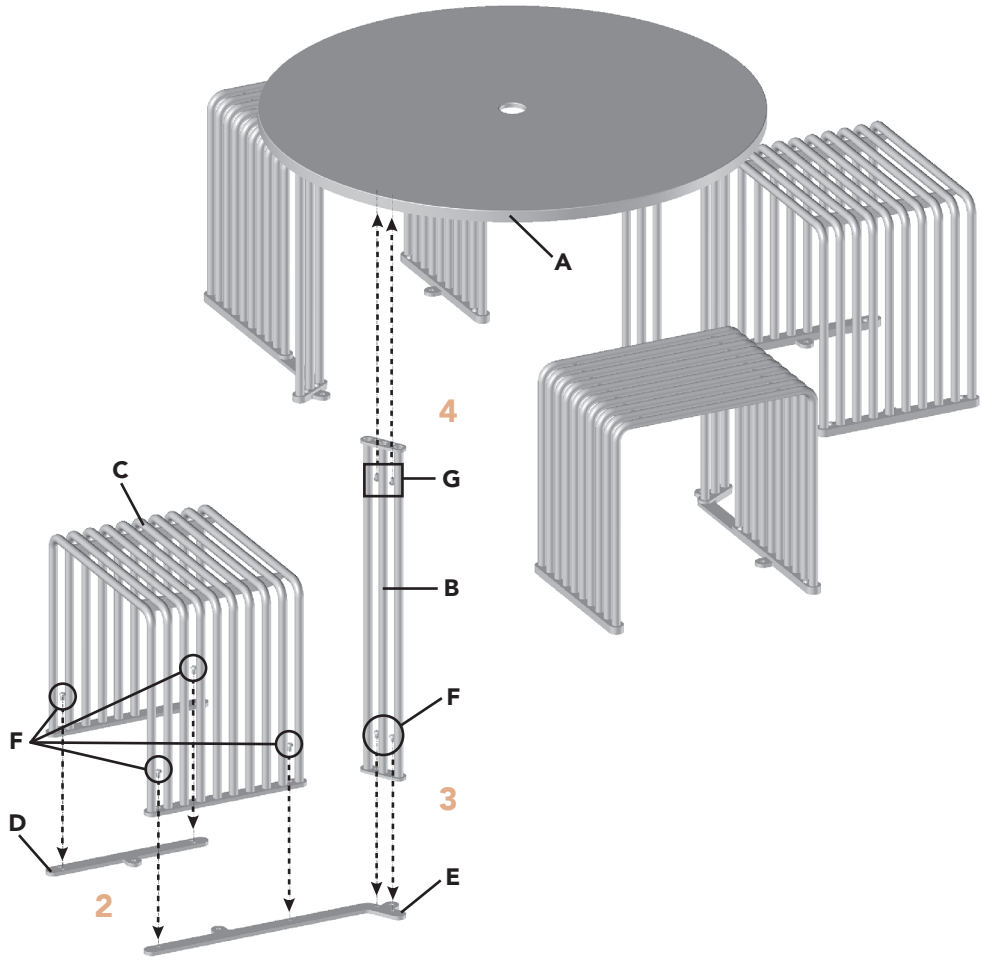
2
Attach brackets to seat

Attach connecting bracket (**E**) and flat bracket (**D**) to seat (**C**) using two M8x10 screws (**F**) each.

3
Attach leg to connecting bracket

Attach leg (**B**) to connecting bracket (**E**) using two M8x10 screws (**F**).

Repeat steps 2 and 3 for remaining three leg and seat assemblies.

4
Attach legs to table top


Position chair and leg assemblies so that table top (**A**) aligns with upper screw holes on legs. Attach legs to table top with eight M8x14 screws (**G**).
