# TAHOE.h24

Big Litter Bins with Lids

DESIGN Basaglia & Rota Nodari

The Tahoe.h24 collection open-top litter bins with lids by Italian designers Basaglia & Rota Nodari deliver a timeless, classic look enhanced by the use of 100% recyclable materials. Offered in two distinct styles: heat-transfer film wood grain effect slats & hot-dip galvanized steel metal framework or a full polyester-power coated dipped color look. Ready-equipped for fastening to the ground with bolts.

Structure: Hot-dip galvanized steel with matte polyester powder coat colors or heat transfer film faux wood effects

Manufactured in Italy / Assembly: Fully assembled / Ground Fixing: Free-standing or ground-bolted

Freight: Included in LIST Price (no additional cost) / GSA: Open Market
