

Via Seating Lifecycle Guide

Do you have a Via Seating chair that you no longer need? Before discarding your chair, take a look at our Product Lifecycle Guide! This guide will help you evaluate your chair and determine the next steps in its product lifecycle.

Inspect Your Chair!

- Check the frame, j-bar, legs, and base
 - Are there any signs of damage?
 - Does the chair feel unstable?
- Check the upholstery & mesh
 - Are there any stains, tears, or signs of excessive wear?
- Check the arms
 - Are there any signs of damage?
 - Are adjustable arms stuck or no longer fully adjustable?
- Check the control & gaslift
 - Do the levers no longer function?
 - Is the seat height no longer adjustable?
- Check the casters or glides
 - Are the casters stuck or difficult to move?
 - Are the glides missing parts?

No

Donate Your Chair!

If you answered “No” to all of the questions above, then your chair still has life left in it! Consider donating your chair to a local school, nonprofit, or other community organization.

Via Seating participates in Keep Truckee Meadows Beautiful In-Kind Donation program. If you would like to donate your gently used Via Seating chair to this program, please contact us at:

info@viseating.com

Yes

Recycle Your Chair!

If you answered “Yes” to any of the questions above, it is now time to retire your chair. At least 20% of all Via Seating chairs can be recycled! Please visit the Sustainability section of our website at:

<https://viseating.com/sustainability/>

Our Sustainability section has disassembly instructions for each chair series. The instructions also show which parts of the chair may be recycled.
