

Nebula

sleek & inviting sofa

great things happen in a chair

The sofa that is exquisite
in look & comfort.

Nebula, the latest creation by Studio V, expands upon the sophisticated and playful curves of the Meteor chair. Its compact, clean profile widens Nebula's applications making this sofa perfect for lobbies, lounges, suites and more.

features

- Open & spacious sofa with a compact, high design profile.
- Separate seat for contrasting upholstery.
- Optional enhanced stitch.
- 500 lb weight capacity.
- 6 year warranty.

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
