SEATING

great things happen in a chair

# High-performance, high-density stacking & light task seating.

Experience a Splash of options, bringing color, comfort and ease to your multi-use seating. Embrace poly, mesh or upholstered backs across stacking chairs, stools, light task chairs and light task stools. All chairs are lightweight and portable.

## features

- Chairs & stools available with poly, upholstered or mesh backs.
- Upholstered options.
- Side chairs & bar stools stack.
- Available with or without arms.
- 6 year warranty, 5 year for mesh.

Design by  
Basaglia & Rota Nodari

Alberto Basaglia & Natalia Rota Nodari met while studying at the Politecnico of Milan & graduating in architecture. They aim to transcend the typical image of the Italian designer by capturing beauty in equal

measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
