

Vista II

multipurpose seating with a bariatric option

SEATING

great things happen in a chair

Comfort & support made for any environment.

Vista II is a complete series that provides a comfortable place to sit—whether for a few minutes or hours. With poly, mesh and upholstered backs that are healthcare environment approved, set this chair anywhere.

Mobility & versatility

Vista II chairs offer a variety of options that support your specific need for guest seating. Choose from casters or glides, with or without arms. This chair is perfect for guest seating in offices, reception areas, lobbies, training spaces and more. Chairs stack 2 high.

features

- Integrated lumbar support at the inward curve of the back.
- Wall saver frame on all models.
- Available with or without arms.
- Casters available on chair models only.
- Back upholstery option on upholstered chairs.
- 500 lb max weight on bariatric & chairs.
- 12 year warranty (10 for casters, 5 for mesh).

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
