Cortina(.026)

design by Basaglia & Rota Nodari

The Cortina (.026) outdoor landscape furniture collections offers stackable benches & tables with an archetypal taste; with minimal, manageable and functional dimensions, that can be stored easily in a closed space when not in use.

The design has a strong impact and aesthetic appeal, and is suitable for outdoor public spaces with its ground-fixing system. Flat benches, benches with backrest & tables all available in 3 lengths. Also offers litter bins.
