# Muir

Consider your desired pose when reviewing a piece of art. You want to feel undisturbed in your reflection and focused on the object of your gaze. Having something comfortable but not puffed up, elegant but not aloof, uncomplicated but classically finished would be the perfect perch. This was the inspiration for Muir by Via Seating's Studio V. Its design is versatile and unassuming, delivering a perfect balance of presence with its wire outer frame. With its deliberate low profile Muir immediately and intuitively creates a casual sit with perfect seat and back angle positioning.
