Splash Air

design by Basaglia & Rota Nodari

Discover a Good Design Award winning series of stackable indoor-outdoor flexible chairs & stools, Splash Air. Arm or armless chairs and bar stools stack 15 high on the ground. The frame is sleek and durable with a sled base. All models are light frame with easy wire grips on the back of each. Available in refined colors with disk cutouts in the backrests and seats, which provide a unique aesthetic and prevent water retention.
