

Riva

ergonomic task chair & stool,
conference

featured image: 3603-25C-51A20S-18BB-16HP-GR 1 (STAPLE RAVEN)

features

Breadth of Line: high back and mid backs with fixed and ratchet, mesh and upholstered backs.

Seats: offering three seat sizes: standard to large. Mesh and upholstered backs with enhanced comfort seats.

Arms: ergonomic adjustable height arm featuring a sleek, textured large cap and optional arm width adjustment available in black or magnet grey finish including a unique roll-back arm.

Control Mechanisms: full function ergonomic synchro control mechanism with easy to use side tension adjustment.

Bases: five-star swivel bases available in black nylon, polished aluminum and brushed aluminum.

Via Seating's comfort foam: a proprietary blend of high-density, injection-molded, closed-cell, cold-cured foam so durable and lasting it is backed by Via Seating's 12 year warranty.

FAQ

1. Can I place a logo on my chair?

Yes, logos can be applied by embroidery on fabric, vinyl and leather. These logos must be placed at least 2" away from the edges of the seat, back and stitch lines. Extended lead time on chairs with logos is 4-6 weeks. Please see pg. 19.

DIMENSIONS & FINISHES

Dimensions and finishes can be found online. Studio V, Via Seating's engineering design team, continuously updates and works with its partners to update Via Seating products to the latest industry advances and to customer feedback. Dimensions, finishes & resources are made available online to allow for real-time updates with the most current data.
